# EU Window Scholarship

## Eligibility

- Applicants must be citizens of an EU Member State
- General scholar:  
high school diploma or above, under age of 45.
- Senior scholar:  
master's degree or associate professor or above,  
under age of 50.

## Research Fields

### All disciplines:

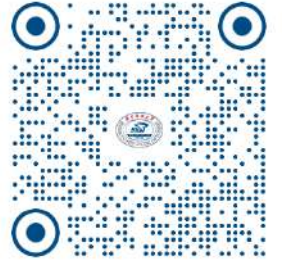

Mechanical, Materials Science, Chemistry, Clean and Renewable Energy, Life Sciences, Electrical and Electronic Engineering, Architecture and Environment, Medicine, Economy, Journalism, and etc.

## Program Duration

Up 1 academic year

## Funding

including a Tuition waiver, free on-campus accommodation, comprehensive medical insurance and monthly stipend (CNY 3,000 for general scholars; CNY 3,500 for senior scholars).

# Reflections: 2025 Summer School

**Lena Schmidt -  
RWTH Aachen University, Germany**

“ This summer school was a perfect blend of cutting-edge robotics and profound cultural discovery. The hands-on labs and the warmth of Wuhan have left me with unforgettable memories and a broader perspective. ”

**Sophia Jane Tiana -  
University of Birmingham, UK**

“ I was blown away by China's technological advancement and the incredible kindness of its people. This journey was more than an academic program; it was a life-changing adventure that broadened my horizons. ”
